

Signing of the Collective Bargaining Agreement (CBA) at Sunbird, Makeni

The negotiations of the CBA began in June 2017 between Employers and the Agricultural Trade Council. The Chairman of the Council alternates between the Trade Unions and Employers and this time around it was from the Employers whereby Mr. Festus Davies from Sunbird was selected. The Employers were represented by CAPPAs members and unity to the negotiations was kept from the employers through CAPPAs. CAPPAs can proudly place this as a success where unlike the previous negotiations which took over 3 years to conclude, this time round it was amicably completed in just over 6 months.
